

DRIVE SAFETY STYER

10 Tips for Driving Safely in Work Zones:

1. Expect the unexpected

2. Slow down

3. Don't tailgate

4. Keep a safe distance between you and the car ahead of you

5. Pay attention to the signs

6. Obey road crew flaggers

7. Stay alert and minimize distractions

8. Keep up with traffic flow

9. Schedule enough time to drive safely and check radio, TV and Web sites for traffic information

10. Be patient and stay calm.

**DRIVE SAFELY AND REMEMBER
WEAR YOUR SAFETY BELT
EXPECT THE UNEXPECTED!**
